ROMANO

OTOMAN

Designing with passion, we have committed our artistic skills to developing a semi-modern style collection with touches of a Mediterranean style, exposing the beauty of metal with this collection of outdoor furniture.

ROMANO COLLECTION

ROMANO

CHAISE

From design to manufacturing, each piece of our exclusive furniture collection has been developed with an artisanal approach, working on the techniques that we have been developing during our more than 39 years of experience.

ROMANO

RECLINER

For the manufacture of any piece of our collection, we offer the possibility of developing the product in bronze or aluminum.

ROMANO COLLECTION

ROMANO

SIDE TABLE

For this collection, we have thought about complementing one piece of furniture with the other. We've considered the importance of the harmony that furniture plays in our spaces, and this is defined by contrasts and combinations of colors and textures
